Sillux: progetti di luce, stile Italiano

Dietro le nostre idee di luce c'è una lunga storia: c'è lo **stile italiano**, un patrimonio fatto di **arte, creatività, design** apprezzato in tutto il mondo per la sua unicità.

Esemplari interpreti di questa vocazione, trattiamo la **luce** come una vera e propria **forma espressiva** in grado di donare ad ogni ambiente una personalità esclusiva.

Tutte le nostre creazioni ne sono una chiara conferma: lo sono le collezioni che si caratterizzano per un intramontabile **gusto classico**, lo sono quelle iscritte nelle tendenze più innovative della **contemporaneità**.

Facciamo leva sulle **più avanzate performance tecnologiche** e su un'elevata **competenza progettuale** che ci permettono di esprimere l'anima di ogni spazio indoor, sviluppando lo stile della luce, nelle sue forme e tonalità, in piena sintonia con i volumi e gli arredi dell'interior design e il comfort di chi lo utilizza.

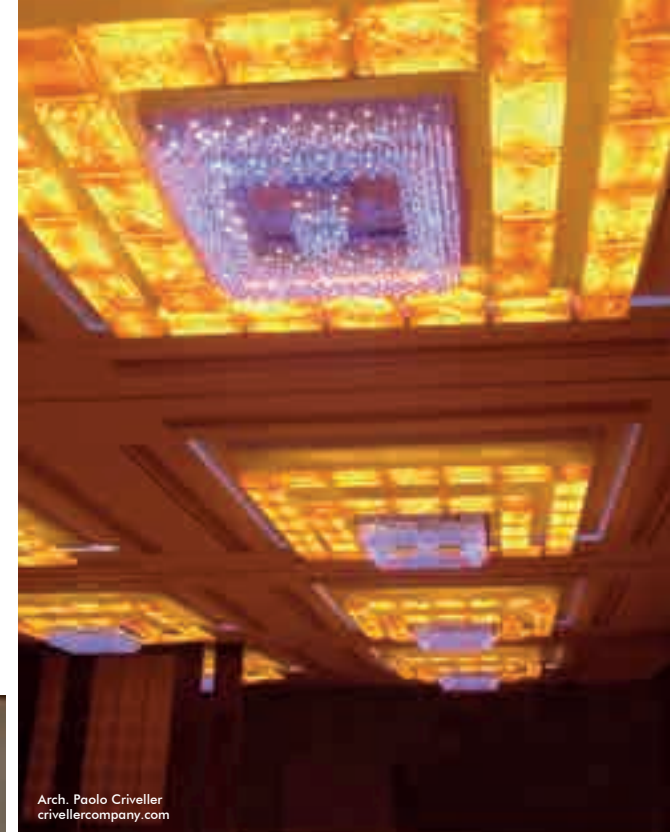

Sillux: **Italian style lighting projects**

*There is a great deal of history behind our ideas for light: the **Italian style**, a legacy of **art, creativity and design** acclaimed around the world as unique.*

*We are accomplished interpreters of this vocation, approaching **light** as an authentic **form of expression** that can enhance any space with its own exclusive personality.*

*All of our creations offer unquestionable confirmation: our collections distinguished by their timeless **classical taste**, and those that reflect the most innovative **contemporary trends**.*

*We rely on the **most advanced technological performance and design expertise** which allow us to express the spirit of any indoor space, developing the style of the lighting in terms of shape and hue, in perfect harmony with the volumes and furniture of the interior design and the comfort of the users.*
