Incanti di colore

In queste collezioni, le intense tonalità del cristallo al naturale si combinano con la straordinaria vitalità dei cromatismi rosso rubino, antracite, turchese, oltre che con la magnificente eleganza delle dorature a 24 carati. Così nascono composizioni che abbinano alla preziosità dei materiali la bellezza della forma, il brio del colore, l'incanto assoluto dello stile.

The intense tone of natural crystal is blended, in these collections, with an exceptional vividness of colours as red, ruby, anthracite, turquoise and combined with the magnificent elegance of 24 carat gold gilding. Giving life to solutions which combine precious materials with the beauty of design, the verve of colour, enchanting and appealing style and design.
